We are delighted to have this stunning Rockwell Commander 115 in stock at Dunkeswell. Built in 2000 this aircraft is simply exceptional in every way. If you wanted one of the worlds best built GA aircraft then the later 115s are hard to beat. This aircraft was US based until being ferried to the Channel Islands in December 2015 and has been well cared for since. The aircraft benefits from an exceptional exterior finish in white base, with blue and grey coach lines (new 2014) and one of the best Grey Leather interiors we have yet to see on an aircraft of its type (New 2014). Just to make this aircraft the real exception she has a Garmin 500 installation with Synthetic vision GTN 750 GPS, GTS800 Traffic system, KFC 225 auto pilot with integrated flight director.
